The facts now proposed are not those mentioned in the order of 5th June 1929. In view of the bond Complaint made today in regard to the MM fields it is for Consideration whether the proposal should be sanctioned at all. ~~It is both~~ payment in a Dist in respect of Dist. and MM fields in respect of one field with exemption in regard to all other fields in the Dist for a period of 24 hrs. and the Dist of Bacca to Consider that there should be 10% fields on all Dist of roads. In this view then proposal may be favourably Considered also.
